Mechanical Engineer | Multi-Disciplinary Mindset | Focused on Scalability, Empowerment & Effective Task Delegation  
April 13, 2026, Abdullah Amin worked with Khurram but they were at different companies

I recommend Ghalib International as a good supplier for stainless steel piping solutions. They supplied at an MNC project requiring high-grade SS pipes, and their commitment to quality and lead-time precision was outstanding. A reliable partner for any large-scale mechanical or industrial installation."

Dear Khurram sb, Ghalib International is one of the prime business partners with whom we have started our dye house sourcing for material. Ghalib is the pioneer in SS material pipes and now in fittings with best quality, service and price. The delivery process is remarkable and a very good experience for us with effective time management. I wish your team the very best in the future.

August 11, 2020, khwaja Arslan worked with Khurram but they were at different companies

The only best source of SS Tubes and ss material with excellent workman ship within stipulated time frame in Pakistan.

**Nadeem Daniel** · 3rd

Senior Manager Maintenance at Century Paper and Board Mills Ltd  
August 11, 2020, Nadeem was Khurram's mentor

SS Pipe manufactured by Ghalib Industries is being used at our plant from 03 years, Their pipe quality is up to the mark. Before using this pipe, we were reluctant to use Seam welded pipe. But our Company's Engineering Delegation visited plant and witnessed that each pipe is tested on much higher pressures. We stopped to use imported SS pipes and all available size pipes are purchased from Ghalib Industry. We try to support our own Pakistani Company.

**Engr Muhammad Imran Arain** · 3rd

Plant Director-Ethanol  
August 11, 2020, Engr Muhammad Imran worked with Khurram but they were at different companies

We had in contact with Ghalib International on different distillery projects like Dewan, SSJD and Ramzan for Stainless steel pipes and fittings. The quality of material we received was excellent and we never faced any problem. The items required are mostly available with them. Strongly recommend to get items from them also as to promote our local manufacturers.
